

2021 STUDENT SCHOLAR

2021 Winner: John Thomas Kehoe

"This scholarship is very important to me because it is a way to help bring in money for my family [and] to help me pay for college. I hope that I can get this scholarship to not only make my parents proud but also to make myself feel accomplished.

Whenever there are things to help my parents out then I try to do it, and when I do it I do things to the best of my ability.

That has been my mindset for my whole life because my parents provide so much for me, and they rarely expect things in return from me. Which is why scholarships are a great way for me to return the favor to them for everything they have given me."
